

Corporate Catering and Food Service

To the parents of *Assumption School*,

I would like to thank you for the opportunity to provide school lunches for Assumption School. LJ's optional food program is for parents who would like to compliment their child's high quality curriculum with a high quality hot lunch program. We are a registered Food Service Management Company with the New Jersey Department of Nutrition.

LJ's recognizes the importance of food and nutrition. School Cafeteria's are gathering places where children should receive healthy well balanced lunches. We recognize the important role we fill and take great care to provide healthy and balanced lunches for your children everyday. We show this care in our operations every day by...

- Cooking authentic meals, using feedback from parents and administrators to increase lunch participation.
- Taking our role in the community seriously and making socially responsible purchasing decisions.
- Serving great tasting, authentic and nutritious food that exceeds the expectations of our students.
- Providing a variety of substitute meals to promote lunch participation.
- Recognizing that every school district or daycare we serve is unique and creating tailored food programs for each one .

Serving a wide variety of menu items each month, each day keeping things fresh, fun, and interesting – you won't find a cycle menu at an LJ's account.

This year lunch will continue to be \$3.25 and will include the following: a choice of entrée or substitution of the day, chicken patty sandwich, or a bagel with butter or cream cheese. The entrée will be accompanied by one side and choice of beverage (whole milk, 1% chocolate milk, 1 % strawberry milk, or assorted juices. An ala carte menu will also be available to the students following the New Jersey Model Nutrition Policy.

Monthly menus can be found online at <http://www.assumptionschoolwr.org/lunch.html>. Payment envelopes and menus will also be available in the main office. Please print, fill out, and return to school the Friday before the week you would like hot lunch for your child.

LJ's would also like to introduce a special 10 % catering discount for any family of Assumption School. This discount can be used anytime throughout the school year and is a way for LJ's to thank you for your loyalty and the privilege of serving your child their lunch while at school.

Thank you,

Joe Scirocco
