### NOTE:

Your school will be asked if you are a school member of good standing.

#### What does that mean?

That means that you do not get into trouble much and you are the sort of person who they would be happy to represent them at events etc.

It **does not** mean you have to be clever in school or the best at sports etc. We are more interested in the sort of person you are.

## Section 1 Tweenangels Agreement

I, \_\_\_\_\_, apply to be a volunteer for Tweenangels, a program of WiredSafety

I understand that as a pre-condition of my being a member of Tweenangels my school must agree that I am of good standing from my school and I must have the written consent of my parent or legal guardian.

I understand that my acceptance and continuation in Tweenangels is at the discretion of WiredSafety.

If accepted I promise to keep the Tweenangels Code of Conduct and support its Mission Statement.

If I leave the Tweenangels I agree to return all materials and equipment provided to me by Tweenangels.

I understand that all material developed or modified by me during the course of my activities for Tweenangels shall be the property of Wiredsafety.

I agree at all times to conduct myself in the manner befitting a Tweenangel. I will devote sufficient time to the Tweenangels training and at all times promote safety online.

## Section 2 Code of Conduct and Mission Statement

This is very important; it is the Tweenangel Mission Statement and Code of Conduct. You need to read it and think carefully whether you agree with it or not. Talk about it with your Chapter Leader or ask another trusted adult what it means. If you are happy with it read the bottom piece and sign along with your parent or guardian.

### Our Mission

Our Mission is to help others be able to use communication technologies safely

### Code of Conduct

We believe that everyone should be able to share and say what they want online as long as it is OK in their country and it does not upset, bully, harm or cheat someone.

We believe that parents are the best people to decide what their child should view online and should be aware of what their child is looking at or doing online.

We believe that people's personal information should be kept safe online.

We believe that it is people on the internet who should look after each other and people should treat each other online as they would want to be treated online and offline.

We believe we should help people who make laws and enforce the laws to understand the internet and how to keep all children and adults safe

We keep the rules of our internet provider, we keep the rules of netiquette, and we do not download/upload, look at or listen to illegal or stolen content.

We will only talk to people in the media or officials about our work in Tweenangels after talking to our chapter leader or with Parry Aftab

We respect other groups who help keep us safe on the internet

We agree to follow the rules and only work on matters under Tweenangels guidance.

This Mission Statement and Code of Conduct may be amended from time to time, upon notice to each Tweenangel. By my signature below, I agree to keep to the terms of this Code of Conduct and support the Mission Statement of Tweenangels. I understand that if I do not keep these terms, that I may be disciplined, or removed from the Tweenangels program at any time. By their signature below, my parents or legal guardian acknowledge the terms hereof and agree to such terms on my behalf.
